“Educate-Innovate-Elevate” is our theme for the Sixth Annual Administrator Appreciation and Student Recognition Banquet, (featuring an opportunity for Professional Development), provides the opportunity to bestow honor, recognition and appreciation for the dedicated contributions that administrators achieve while working with African American students. Moreover, African American students are recognized for achieving high academic standards and demonstrating upright character traits. This event is the sixth of its kind to bring African American educators and students together in celebration across the state of Ohio. Mark your calendars and join OABSE (Ohio Alliance of Black School Educators), Saturday, April 6, 2019, as we reclaim and take ownership of the educational affairs of our communities and students.
